

KAZUMI RPG BOT — OFFICIAL ECONOMY AUDIT REPORT

Transparency Statement & Game Economy Rebalance Audit | Date: July 24, 2026

EXECUTIVE SUMMARY & PRIVACY NOTICE:

This official report details the comprehensive game economy rebalance performed on Kazumi RPG Bot servers. To protect user privacy and security, all User IDs and handles in this public report have been partially masked (blurred).

Key Actions Enforced:

- **Aviator Glitch Neutralization:** Uncapped bet compounding in Web Aviator was patched with a strict **\$10,000,000** max wager limit.
- **Glitch Winnings Rebalance:** Accounts that accumulated extreme glitched balances (Quintillions/Trillions) were capped at a safe baseline of **\$50,000,000**.
- **Gift Supply Chain Audit:** Glitch currency transferred or gifted to secondary accounts was fully deducted and notified via DM.
- **Legitimate Balances Preserved:** All non-aviator, fair player accounts remain **100% intact & verified**.
